

...hands down the best songwriting I have heard this year.

...a superb soul singer with a voice like a blanket straight out of the clothes dryer - warm, crisp, and soothing. BluesNotes Magazine

Procell is smart, creative, and as deeply soulful as any. Elmore Magazine

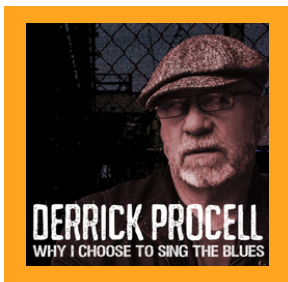

...soul-blues in the spirit of luminaries like Mighty Sam McClain and Otis Clay. Downbeat

Hello Mojo! is available on Apple Music, Amazon and DerrickProcellMusic.com

"His second solo album, *Hello Mojo!* is an ideal introduction to Procell's deft melding of his love of soul, blues, sweet backing vocals, brassy horn arrangements, and infectious hooks".

Living Blues Magazine

Hello Mojo! Derrick's sophomore release on the **Catfood** label is a showcase for his soulful vocals and award-winning songwriting. Featuring studio ace rhythm section **The Rays**, legendary vocalist **SueAnn Carwell**, world-renowned percussionist **Munyungo Jackson**, and produced by guitar wizard and BMA winner **Zac Harmon**, this album's wide range of airplay-ready hits has topped the *RMR Soul Blues* charts for months.

Check out Derrick's previous release *Why I Choose To Sing The Blues*.
